Congratulations on reaching the East of England Final for the FSB Celebrating Small Business Awards. Please find enclosed your certificate. If you would like a PDF version of this please email fsbevents@fsb.org.uk

If you have been notified that you are a winner in the East of England final, details of the final in London will be provided in due course. However, this will be held on Thursday 27 May 2021. The format for the event will be a Champions Club to recognise businesses across the UK. In 2021 we will announce new categories to recognise how businesses have had to adapt to succeed through COVID-19 and they will be open to all to enter. We do hope this event will not be affected by COVID-19 but we will, of course, continue to monitor the situation, and give you plenty of advanced notice when final arrangements have been made.

Thank you for entering the FSB Celebrating Small Business Awards. We wish you luck in your business for this coming year and hope to see you in our future awards programme.
